## **Important information regarding guitar-lessons at Peele**

In the last few days it has been brought to my attention that the school-timetable has been changed. Consequently, this will affect the guitar-lesson times as I endeavour to align the lessons with the school's timetable to minimise disruption to pupil's studies.

Guitar-lessons, which were previously 25 min (*two in each 50min school-period*), will now be 30 minutes to fit inline with the new 1-hour school-lessons.

To cover the additional time I must adjust my costs accordingly. However, I will allow pupils to continue with weekly 25min sessions, should they choose to, at the same rate up to the Easter break (April 2016) After the Easter half-term break all lessons will be 30mins. By way of compromise, I will offer the 30-minute lessons at the same cost as the 25-minute lessons only if those lessons are paid for by bank-transfer, or cash, before the start of each term. This means that for a term of 5 weeks or more pupils will effectively be getting the equivalent of one extra free lesson each term. ( $5 \times 5 \text{ mins} = 25 \text{ minutes}$ ) Lessons not paid for by the start of the term will be charged at the 30min rate, besides any penalties for late payments, as set out in the tuition agreement, *which can be found on the website*.\*

This offer will expire at the end of the school year, which concludes in July 2016.

If you wish for your child to take advantage of the 30-minute lessons starting this term please contact. Let me also take this opportunity to remind those pupils opting for shared/pair sessions where there is no partner to share with they may have their lesson time reduced by one-third, which is also part of the tuition agreement t&c.\*

Prices (25 & 30 min) as always, can be found here: [www.greendog.co.uk/schools/prices](http://www.greendog.co.uk/schools/prices)
